## Introduction

The mission of Lincoln Fire and Rescue is to provide the highest level of service to our community that includes; Fire Protection, EMS, Haz-Mat, Technical Rescue, Business Inspections and Public Education possible.

It is the goal of the LFR Training Division to provide a comprehensive training plan for 2004 that includes all elements of our mission to assist our personnel in providing quality service to our community.

The annual work plan for Lincoln Fire and Rescue is designed to provide a tool to assist the Emergency Services personnel, the Training Division and Fire Administration with a document and timeline to assist LFR in accomplishing its projected training requirements and associated activities within the year.
